Subscription Terms And Conditions

أحكام وشروط الاشتراك

Subscription Period

This is a one year subscription starting on the day of activation which should be made by replying to activation SMS sent by the system. The subscription is automatically renewed unless it is canceled by the subscriber or Al Elm Company for Information Security.

Subscriber's Obligations

Subscriber must notify Al Elm Company for Information Security in case of changing the mobile phone number stated in this form, subscriber is fully responsible for all requests done through this number and Al Elm Company for Information Security is not to be held responsible of the result of executing such requests.

Subscriber is fully responsible for using granted services through this subscription on the stated mobile phone number. The subscriber will be able to execute some governmental interactive services such as issuing exit re-entry visa to his sponsored personnel.

Subscription canceling

Al Elm Company for Information Security has the right to cancel the subscription in case the subscriber uses the service for purposes other than what it is made for, or in case the subscriber violates any of the subscription rules, or in case the service provider desires to cancel it, or in case the subscription information is deceiving or not true.

The subscription may be canceled in case one of the two parties wishes to.

The subscription is automatically canceled in force majeure cases.

Information Privacy

The information and notices sent under this subscription, are often related to the subscriber and will be sent to his mobile phone registered on this subscription form.

In case the subscriber changes his mobile phone or his mobile phone is stolen, he must inform Al Elm Company for Information Security through the support number indicated below. In case of failure to comply the subscriber will take the responsibility of the leakage of his personal data.

General Conditions

Al Elm Company for Information Security does not take the responsibility for any losses that affect the subscriber (directly or indirectly) resulting from the implementation and use of this subscription.

The subscription will be approved when the subscriber completes all the required information on the subscription form and confirms compliance to the terms and conditions. Furthermore, Al Elm Company for Information Security has the right to reject any subscription without providing any justifications.

Al Elm Company for Information Security has the right to add or change any of the subscription terms and it will notify the subscriber through his mobile phone or via the web site of the service.

Al Elm Company for Information Security has the right to stop the service temporarily in case of emergency or technical issues or in case of developing or modifying the system till the issues are fixed.

Al Elm Company for Information Security can give the subscriber the right to benefit from the electronic services that provided to individuals from Al Elm Company for Information Security or through the electronic services provided from the public and private sector by using the ID used in this registration form.

This subscription allows the subscriber access to his information or the information of his dependents or sponsored residences in some government departments, through SMS messages to mobile phone used in this registration form, and this subscription allows Al-Elm Company for information security to send electronic promotional messages for its other services or to any third party.

I agree to register to the electronic services, interactive services to execute governmental process, and any future services will be produced based on the ID stated in this registration form through my mobile phone mentioned above. I confirm reading and agreeing on the conditions in this form and that all information provided on this form are accurate and correct private information.
